

# Click2Mail.com: Booth 801 at Small Business Expo 2017

## On Demand Postal Mail Marketing

**YOU... Upload a file of your mailpiece (and you're done)**

**Click2Mail.com... Prints it > addresses it > preps it > sorts it > adds postage > hands it off to the USPS for delivery > NO permits, NO minimums, NO stamps, NO postage meters, NO trips to the Post Office**

**THE most product types and USPS® delivery options.**  
**Over 330,000 unique customers served.**

## Personalize every mailpiece for FREE

Using Click2Mail's optional "variable data" function, to personalize your documents using a process similar to "mail-merge." Integrate customer names, locations, salutations, appointment dates, dollar amounts, and so on—all at no additional cost.

## Print & Ship bulk quantities for other uses

Use Click2Mail's Print & Ship service to print bulk quantities of your artwork and have them shipped directly to you for other uses and forms of distribution and mailing.

## Build a targeted mailing list

Pinpoint and purchase a high-quality, reliable list in a matter of minutes.

Occupant Lists

Consumer Lists

Data Analysis Lists

New Homeowners & Movers Lists

Property Lists

## Send extra "Easy" letters and postcards

Use Click2Mail's Easy Letter Sender™ to mail a letter with an optional photograph or artwork in a unique picture window envelope. Or Easy Postcard Sender™ to mail full color postcards.

## Every Door Direct Mail® (EDDM)

Full color printing on recycled matte paper

Sizes: 6.25 x 11, 6.5 x 9, 7 x 10, 8.5 x 11, 8.5 x 12, 12 x 4.5

Target any postal delivery route, no mailing list needed

Perfect for retailers, service companies and organizations  
DIY, DIY Light, or Full Service

## Automate processes with Click2Mail APIs

Add Click2Mail's cloud-based mail services to your application or your organization's mail-stream using its simple programming tools (Application Program Interface—API). For API help: 855-294-5601 or [api\\_support@click2mail.com](mailto:api_support@click2mail.com)

## Automate the mailing of PDF documents

Use Click2Mail's MailJack Plus™ to send one or thousands of postcards, letters, invoices, brochures, notecards, etc. from any word processing, accounting, publishing, or data software program that saves a PDF document.

## Send REAL mail from your email program

Use Email-to-Mail™ to manage and send postcards, letters, brochures, notecards, and other documents as attachments to email messages—from Gmail, Outlook, Yahoo Mail, Windows Live Mail, and others.

## Secure Self-Mailer

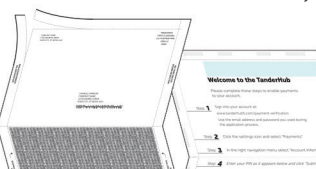

Full color or B&W printing on V-fold mailer with perforated tear seal

Variable data options

8.5 x 11 in

Delivery via First-Class, Standard, or Non-profit

Mailed the next business day\*

## Add mail to your app workflow with Zapier

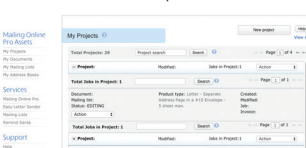

Use Click2Mail Actions to create automated mail campaigns from apps such as...

PayPal • Google Forms • Zoho CRM • Survey Monkey • Google Sheets • Wufoo • and more...

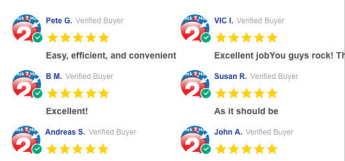

## Handle enterprise-sized workloads

Don't mistake simple for small. Click2Mail can handle a large corporate invoicing workflow as easily as it can a small run of postcards. And C2M, LLC is fully committed to complying with HIPAA regulations and to ensuring that our products are HIPAA compliant.

## All with unmatched, 5-star customer support

Click2Mail offers online and phone support, screen-sharing, one-on-one training, and advanced API integration help. Don't believe it? Check the reviews on our home page—they're the real deal.

All with **AMAZING** customer support
